FILLED by KUDU | Finance Director

Description

CLC Finance has offered home collected credit for over 60 years. Instead of lending over the internet, their long-serving and highly trained agents visit customers in their homes. The agents build trusting relationships with their customers, and everyone is treated fairly and in accordance with their individual circumstances. Repeat and referred business levels are high and CLC are proud to have one of the best customer satisfaction ratings in the industry.

As the home credit market has evolved, numerous competitors have left the sector because they were unable to meet the very exacting standards of The Regulator. CLC see this as a real opportunity for growth in a sector that fulfils a much-needed service but needs to evolve quickly to ensure the standards and associated customer protections remain in place. Based on their exceptional record of customer service, CLC believe they can be at the vanguard of this evolution.

The Finance Director will be a key appointment for CLC, and they need someone who will partner effectively with the Owner and Directors to help drive the commercial and strategic conversation whilst also weaving increased financial control and compliance throughout the business.

As FD, you will have a curious mindset and an interest in focusing acutely on how the business can continue to adapt and grow. Your attention to detail will combine with your commercial nous to provide an effective steer for both continued compliance and efficiency as well as new business opportunities.

Candidates will be qualified accountants (ACA, ACCA, CIMA) and must have experience within a regulated environment. Clear communication with The FCA will be fundamental to understand the industry's direction of travel and to ensure that CLC has a voice in this evolving market.

Interpersonally, the successful candidate must be credible and enthusiastic. You will also be a confident communicator and although the senior team are accomplished professionals, and industry experts, you will be seen as a mentor and commercial guide.

CLC is a fun, friendly, successful and profitable business. The team have worked hard to achieve their current levels of success and are highly motivated to continue challenging both themselves and the industry. CLC is offering an excellent salary and benefits package alongside a role which will provide long-term challenge and growth.

If this opportunity is of interest, please send a copy of your most recent CV along with details of your current salary and benefits package to Don Aitken at KUDU Search (don@kudusearch.careers) or call him on 0113 403 3346 | 07432 597 033
