Schofield Sweeney LLP is a commercial law firm based in West Yorkshire. With 39 Partners and 80 additional fee earners, the Firm is renowned for providing an exceptional quality of service. Relationships are Partner led and focus heavily on tailoring the Firm's services to meet the specific and evolving commercial needs of their clients.

Established in 1998, Schofield Sweeney has grown to become one of the most prominent, respected, well liked, and successful members of the Yorkshire business community. They employ exceptionally talented people who are attracted by the Firm's no-nonsense, hands-on service which aims to limit its use of legal jargon and focus on building effective working relationships. In both 2024 and 2025, they have been listed in The Times' "Best Places to Work" awards.

Following two successful years with the firm, the current Finance Director is leaving to dedicate more time to family business matters. As a valued leaver, they will remain in post to ensure a smooth and comprehensive handover tailored to the incoming candidate's needs.

The incoming FD will need to be ambitious and have a growth mindset to continue the process of unlocking additional opportunities for significant growth.

The Finance Director will report directly to the Executive Board and must bring exceptional technical and commercial bandwidth to the Firm

whilst also ensuring that the rigorous controls and compliance functions evolve in step with the planned growth and complexity.

Absolutely key to this role, will be the individual's ability to work collaboratively at every level of the Firm. Your approach must be pro-active and underpinned by a desire to build relationships based on a genuine enthusiasm for the people and clients involved.

By providing insight, alongside robust commercial challenge, the FD will be able to help drive the 5 Year Plan which is targeting significant growth alongside increased profitability.

This role will provide the additional commercial insight and direction that will allow very successful and ambitious internal stakeholders to unlock significant value in their markets. As such, the visibility and importance of the FD role will continue to evolve with The Firm.

More than just a confident communicator, the successful candidate must also possess a high level of emotional intelligence. They will also have experience of operating within a "people centric" business and must be a qualified accountant (ACA, ACCA, ACMA).

The success and value of this position is reflected in the salary, bonus scheme and LTIP which will be configured to attract, develop and retain the best candidate.
