Finance Director

Description

We Power Your Car is a fast-growing, entrepreneurially led business in West Yorkshire, providing EV charging point installations direct to customers and through high-profile partnerships. Serving both domestic and commercial markets, the company has ambitious growth plans for both installations and associated services.

Following recent investment and M&A activity, We Power Your Car is ready to accelerate its growth and seeks a commercially focused **Finance Director** to bring increased structure, control, and insight to the business.

You'll stay hands-on with the numbers whilst also leading and developing a small team. With a curious mindset and broad commercial acumen, you'll relish developing a culture of financial understanding, visibility, and accountability alongside acting as a sounding board for the Owner.

Qualifications

The ideal candidate is a qualified accountant (ACA, ACCA, CIMA) with experience in both owner-managed environments and larger SMEs/corporates. You'll have a systems-oriented mindset, attention to detail, and a collaborative, commercially focused approach.
